

WEB DEVELOPMENT PORTFOLIO

Daniel English-Brown

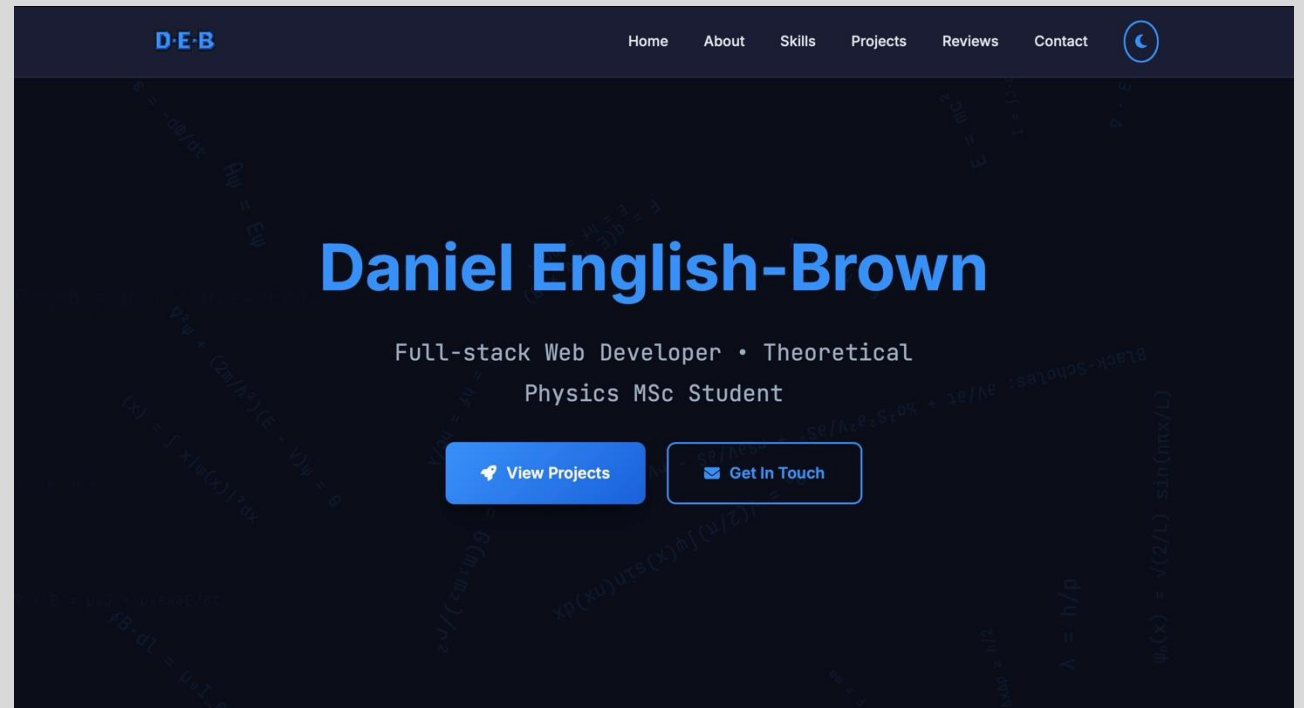

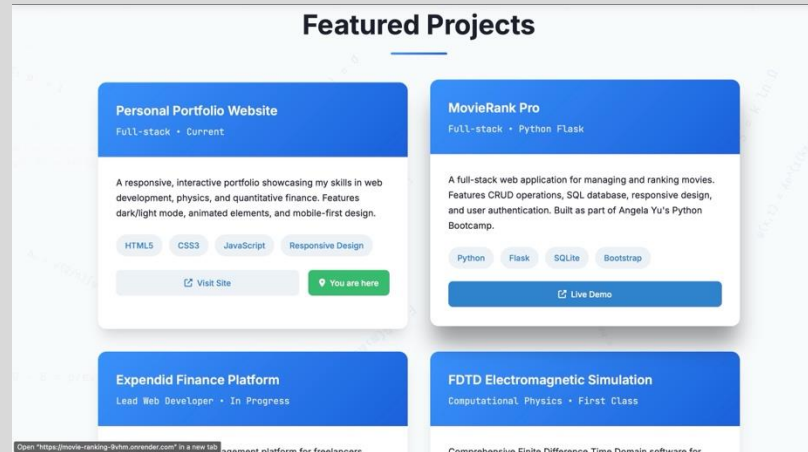

EXPENDID.CO.UK

- **Waitlist & referral system** – implemented a public waitlist page with referrals/leaderboards to build community and early adoption.
- **Responsive glass-UI** – designed a modern interface with mobile-first layouts, animations and accessible contrast.
- **Secure admin tooling** – built a Flask-based admin dashboard for managing users, referral codes and pricing tiers.
- **Subscription & pricing page** – created clean pricing tables (monthly/annual) with plans tailored for freelancers.

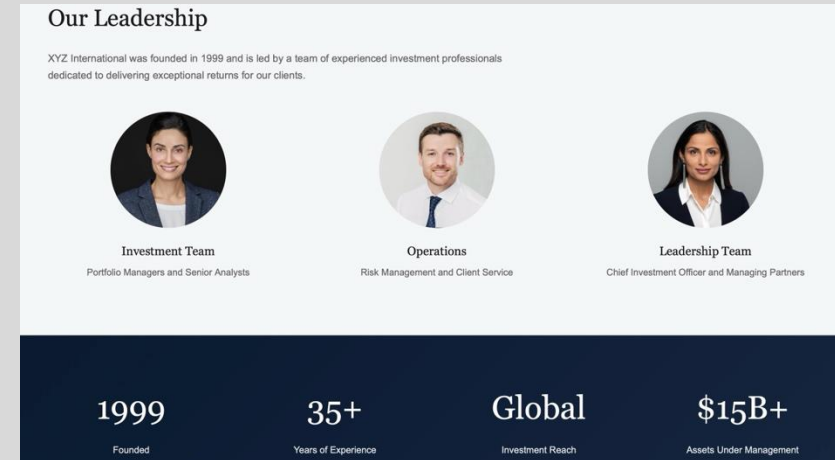

[DANIELENGGLISH.ME](https://danieleenglish.me)

- **Full-stack build with Flask/JavaScript**
- **Dark/light mode & animated backgrounds** – customisable themes, floating physics equations and particles.
- **Interactive “About Me” section**
- **Project cards & skills grid**
- **Client testimonials carousel** – rotating endorsements from past clients and colleagues add credibility and social proof.
- **Smart contact options** – email dropdown copies address or opens Gmail/default mail client, plus direct links to LinkedIn and GitHub.

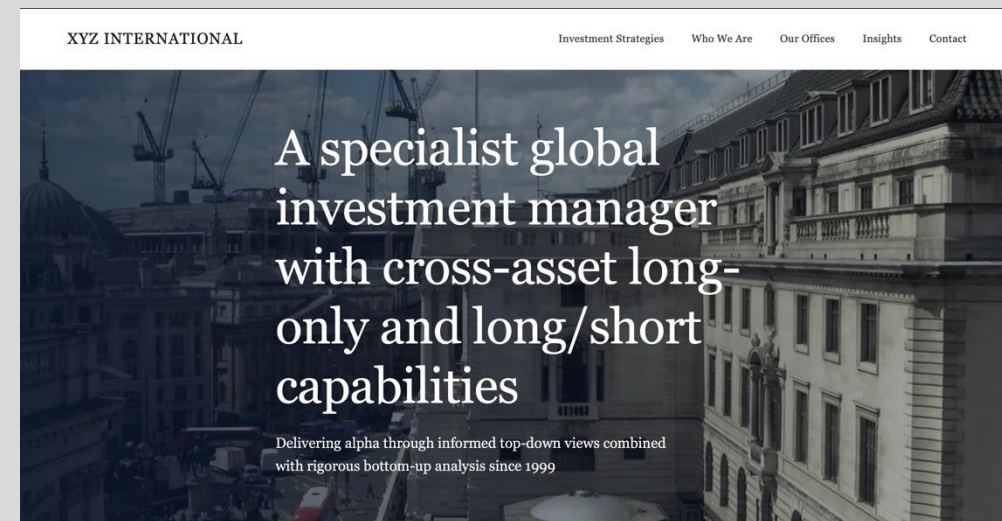

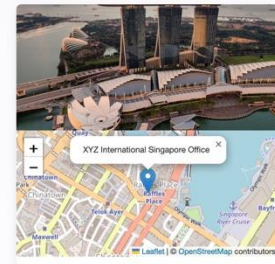

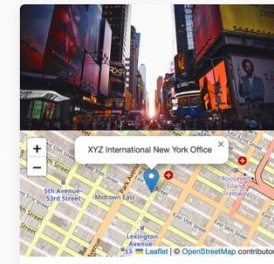

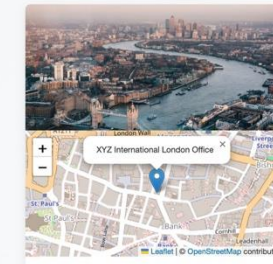

HEDGE FUND WEBSITE

- **Professional, compliance-ready design** – clean layout with disclosures, terms and risk warnings embedded unobtrusively.
- **Investor relations portal** – secure login area for investors to access fact sheets and performance reports.
- **Data-driven insights** – dynamic charts and tables for AUM growth, performance metrics and portfolio composition.
- **Clear storytelling** – sections for investment philosophy, leadership bios and ESG commitments written in plain language.
- **Responsive & cross-browser** – optimised for mobile and desktop with fast load times and strong accessibility.

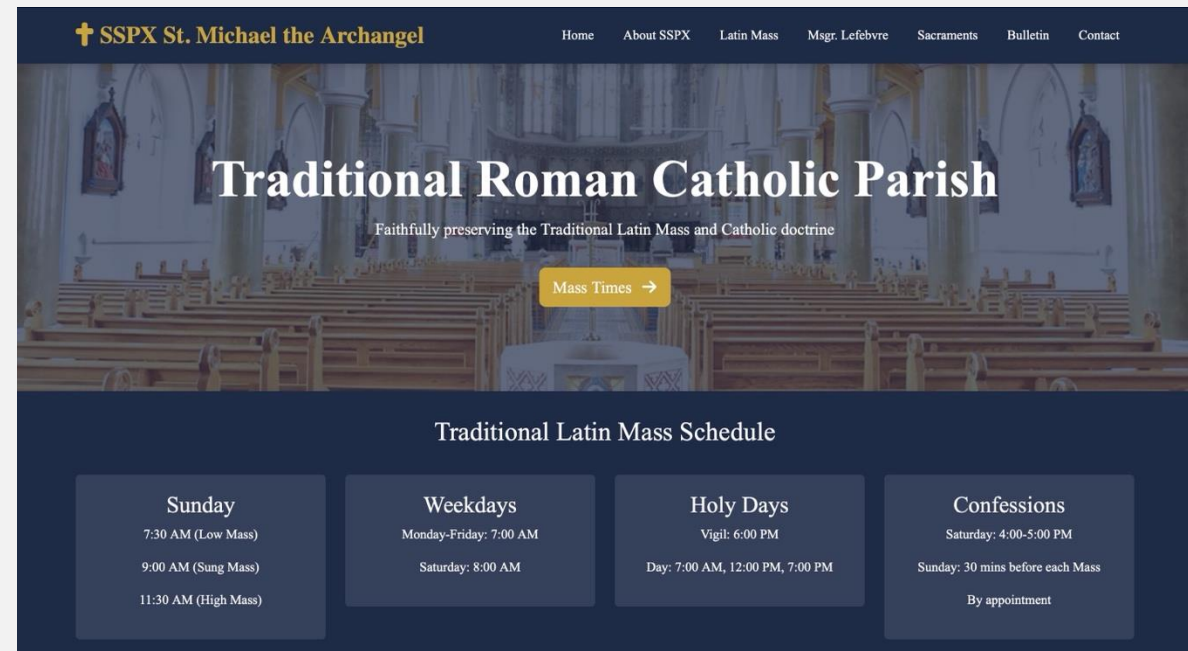

Our Offices

With a global presence, TT International maintains offices in key financial centers to better serve our clients and access investment opportunities worldwide.

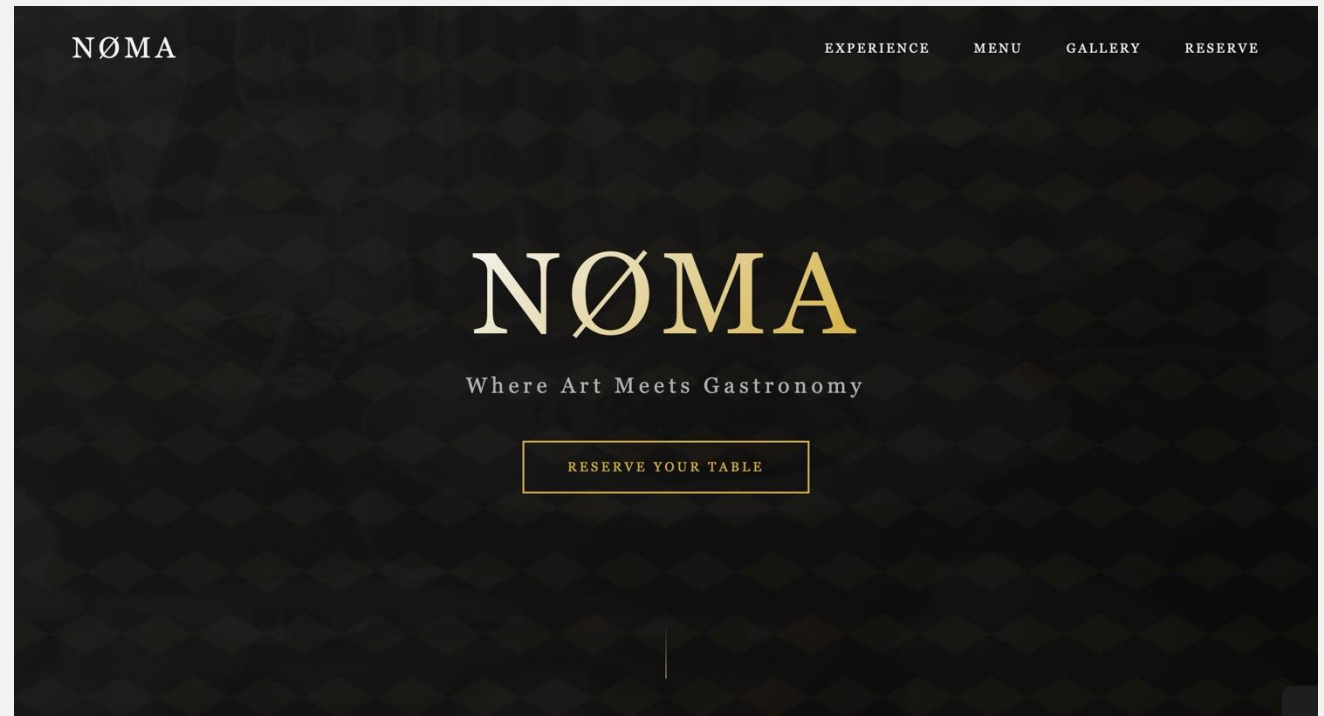

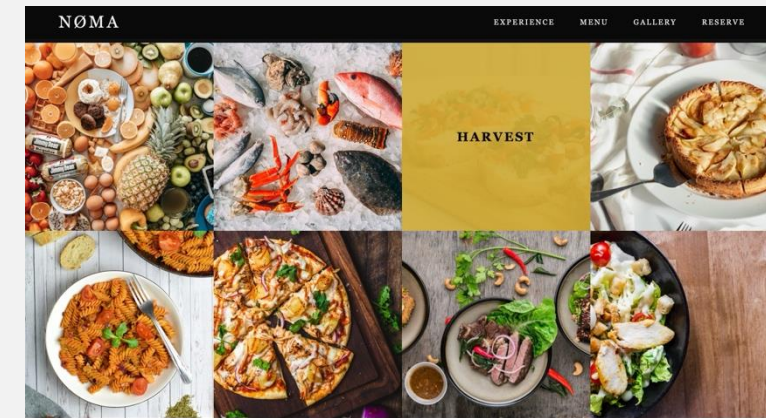

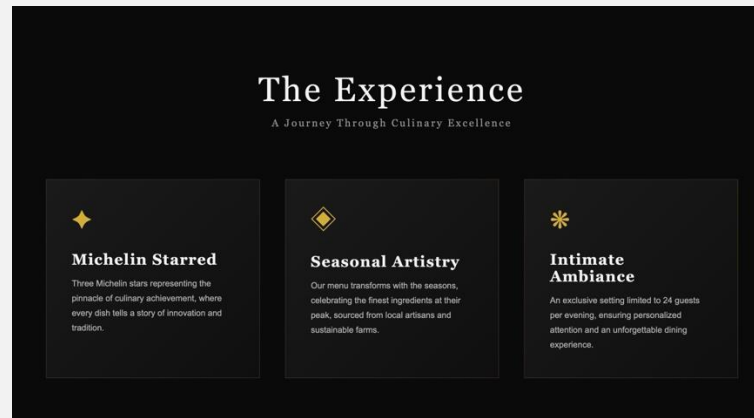

CHURCH WEBSITE

- **Mass & sacraments schedule** – prominent and easily readable times for Sunday, weekdays, holy days and confessions.
- **Traditional sacraments and pastoral care** – pages that explain baptism, confirmation, Eucharist and matrimony with call-to-action prompts.
- **Parish bulletin & calendar** – dynamic announcements and downloadable PDFs so parishioners stay informed.
- **Historical & doctrinal content** – biographies (e.g. Archbishop Marcel Lefebvre) and explanations of the Latin Mass.
- **Contact & donation** – integrated forms and clear contact details encourage parishioners to connect or support the parish.

RESTAURANT WEBSITE

- **Mouth-watering menu showcase** – high-quality photos with descriptions, pricing and dietary filters.
- **Online reservation system** – real-time table booking and “order ahead” or “click-and-collect” options.
- **Event & specials promotion** – section for live music nights, tasting menus or seasonal offers.
- **Mobile-first design** – intuitive navigation and easy scrolling for customers on the go.
- **Social proof** – embedded Google/TripAdvisor reviews or testimonial quotes to build trust.
